That would be amazing if she could finish in a week. Thanks for reaching out to her!

I think it's reasonable, but she may push back. HQ technically gets 30 days to review, which is outrageous. Sun is usually pretty quick though and tries to accommodate us where she can. I'm going to meet with her on Tuesday to go over all the proposed plans so she knows what's coming and can hopefully plan accordingly.

I hope to get it to Sun by July 3rd. Would it be unreasonable to ask for 1 week to review?

Josh

I think that Sun is pretty familiar with the site from the two ROD review meetings we have had, but it would be good to give her a sense of the schedule. I can do that. When do you think it will be ready for her review and when will you need here comments? Thanks!

Subject: HQ prep for review

Hi Chloe,

I am sure you saw my previous email on our schedule to get the Riverside proposed plan to be reviewed. Is there anything we should do to prep HQ for their review of our plan? Let me know if there is anything we should do.

Thanks,

Josh
